Author Bio

Tom D'Agostino is an educator and author of eleven published books on ghosts and legends of New England, and has been a paranormal researcher/investigator for 35 years with over 1200 investigations to his credit in both the public and private sector. His books have prompted several PBS series, documentaries and television shows in which he has appeared. **Tom** and his wife **Arlene Nicholson** constantly travel the region in search of the countless mysteries and haunts that make New England so rich in legend and history.

Tom is a graduate of Rhode Island College with a degree in Political Science and he studied music, history and business as minors. Tom also builds and plays musical instruments from the Medieval, Renaissance periods and present.
