

Meet **Eric Goetz**

Summer, Marine Tech & STEAMSHIPS

Eric Goetz... is a leader in high tech composites construction worldwide, and is Chief Technology Officer of **Goetz Composites**. While President of **Goetz Custom Sailboats**, Eric built some of the world's most successful race boats, extreme powerboats and beautiful luxury yachts. His team built and delivered more than 100 boats including:

- ◆ Ten (10) America's Cup Boats
- ◆ Ten (10) TP52 Race Boats
- ◆ 150mph Speedboat ◆ Wally Class
- ◆ Volvo 70 Round the World Race Boats
- ◆ Military Drones ◆ Submersibles
